Copy of L.O. to the District Forest
Officer, Mysore, by the Conservator of Forests
dated 8th August 1901

Dear Sir,

H. H. the Rajah of Pudukota
and three friends will start from Mysore
on a shooting trip towards Murkal - Nagarhole
Kakerkote about the 15th instant.

H. H. the Maharajah and the
Dewan wish that we should assist them
as far as possible. Please send Hilda
and Wasp to Mysore and place them at
the disposal of the party for the whole
trip for riding purposes. Mr. Schofield,
senior, is being asked whether he will per-
mit his son to accompany the party as
Shikari; and in that case it would be
well to send on trackers in advance.

I should be much obliged if
you could see the party safely off from
Mysore; and send with them, at least
as far as Murkal - Nagarhole, a
few forebush guards and perhaps a Forester.

Arrangements are being made
separately

separately to draw the party to Munsur.
But I promised M. H. to ask you whether,
in concert with the Deputy Commissioner
a bullock tonga or bullock coach could
not be supplied for the journey from Munsur
to Hivhal, if indeed the road is good
enough for driving.

Would you please consult the
Deputy Commissioner, and have necessary
orders issued to the Amildar at Munsur
re assistance and supplies, coolies &c. The
party will want four carts to keep with
them if possible.

The Dewan says that there is
no objection to M. H. shooting a tusker in
Mysore territory. Kindly inform the Deputy
Commissioner.

Please let me have a reply.

My dear Sir

I beg to acknowledge the receipt of your D.O. of the 8th inst and to state that I have made all the necessary arrangements for the shooting trip of H. H. the Rajah of Pudukkottai. I have ordered elephants Bilda & Wash to be at Hunsur before the 15th

The Dy-Commissioner has addressed

the Amildar at Simsa
regarding supplies, cooking etc.
He has also been asked to place
a bullock coach at the disposal
of the Rajah if the Munkal road
is good enough for driving.
I have asked Mr. Theobald to send
a couple of best fowls and a bottle
with the party.

I trust that everything possible
will be done to make the trip of
the Rajah pleasant and

comfortable

I remain Sir
Yours faithfully
Wentham

Copy of docket no: 102 dated $\frac{20}{21}$ August
1901 from the Rang officer, Humsa
to the District Forest officer, Mysore
District

His docket no 65 dated 10th August
1901 re H. H. The Maharajah of Puda-
Kote's visit to this Rang & requesting
undersigned to depute his son to
accompany the party on their shoot-
ing trip

In reply have the honor to state that
His Highness and party arrived at
Humsa on the 16th afternoon and under-
signed met them and placed the
services of his son at their disposal
as requested by the Conservator.

The party left this for Kankote
this morning as owing to the large
herd of Anant Mahab cattle

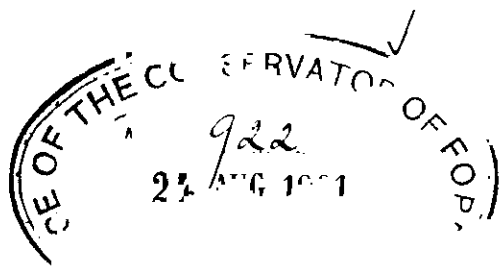

grazing in the Veeranbosalmully and other forests. There is no shooting to be had in this Taluq. Mr Charles Theobald however took the party out to Anichowkoon on Saturday, but they only heard some elephant & trumpeting but came across no rogue elephants.

His Highness and party intend staying out for about twenty days in the Heggadavenkote Taluq.

Elephants Hilda and Wash have also been sent to Kakenkote in charge of Mr Charles Theobald with paddy and salt for a fortnight and instructions to purchase more as soon as the stock was exhausted. The Mahout of the former was advanced Rs 10/- and that of the latter 5/- as they complained of not

having received their pay for July
and were starving and wanted to
take some provision with them to the
forests as owing to the plague scare
they could hardly get anything.
